DAILY REMINDERS

Our school is a community of people. As individuals we come together for the common good. We are all reminded to behave in ways that help ourselves and help others.

AT MAGDALEN WE EXPECT EVERYONE TO:

- Manage yourself well so that you can work and learn effectively
- Ensure that your interactions with others are positive
- Own your mistakes; be open to reflect and learn from these

IN SCHOOL ADULTS WILL HELP YOU STOP, REFLECT ON AND CHANGE YOUR BEHAVIOUR USING:

- **A verbal reprimand** - telling you what's going wrong so you can change it.
- **Moving you somewhere different** - giving you a chance to re-set by being somewhere else in the same space.
- **Short time outside the space** - a few minutes outside to calm yourself, reflect and be ready to come back to learn and interact positively.

*If you don't take these opportunities to reset then you are likely to be **Red-Carded** and a school sanction will follow.*

PUNCTUALITY MATTERS:

- Arrive on time and prepared for all lessons and tutor times
