MCS BRACKLEY PRESENTS BEAUTY AND THE BEAST JR

Join us for our latest drama production: Beauty and the Beast Jr. Our Production Runs on Tuesday 26th March and Wednesday 27th March at 7pm, Tickets are £10 and are available via ParentPay.

Based on the original Broadway production that ran for over thirteen years and was nominated for nine Tony Awards, and the Academy Award-winning motion picture, Disney's Beauty and the Beast JR. is a fantastic adaptation of the story of transformation and tolerance.

CONGRATULATIONS TO Y13 EPQ STUDENTS

Year 13 have received their Extended Project Qualification results and we are exceptionally proud of the results and the hard work from the students with many receiving very high grades which has led to university offers. Well done to everyone!

- Mrs Bowers

MAGDALEN SKI TRIP TO PIANCAVALLO 2024

The school's ski trip to Piancavallo, Italy, from February 18th to 24th was a resounding success, hosting 48 students under the supervision of dedicated staff including Miss Timbrell, Miss Jones, Mrs Hurst-Ramsay, Miss Peach, Mr Ward, Mr Horner, and Mrs Brady.

Highlights included sunny ski lessons, town exploration, and spirited evening activities like football and volleyball. Indulging in decadent hot chocolates and hearty pizzas added to the experience. Despite challenges like heavy snowfall, the group's resilience shone through. Feedback from participants praised the impeccable organization and the instructors' expertise, ensuring safety and enjoyment throughout. The trip organizer expressed gratitude to the staff and resort, emphasizing the students' joy and the trip's seamless execution.

Plans for future adventures are already in motion, with anticipation building for the next excursion. Overall, the Piancavallo ski trip left a lasting impression, with memories of laughter, camaraderie, and thrilling experiences bound to endure.

Y10 PANNA COTTA

Year 10 have been demonstrating their high skills this week, making an Italian panna cotta with a red current and raspberry coulis, to finish the dish they practised their food styling, creating some wonderful dishes as seen here.

YEAR 13 READY FOR THE FUTURE DAY

Year 13 took part in a success "ready for the future" day where they took part in practical activities to learn first aid, self-defence, cooking and working on their digital profile. Student reported that the first aid was engaging and gave them a good understanding of how to manage a first situation, the self-defence saw some students attempting over 70 burpees alongside some basics to keep them safe.

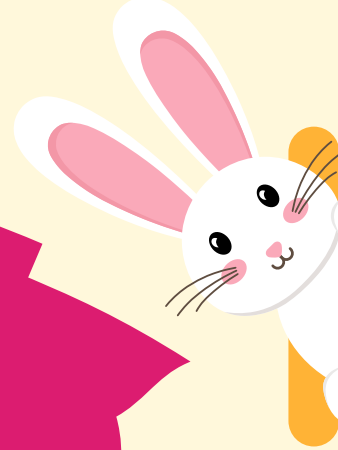

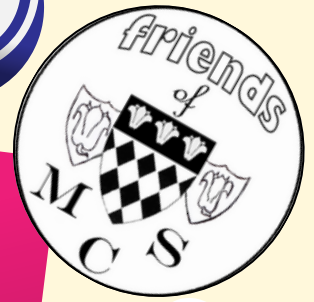

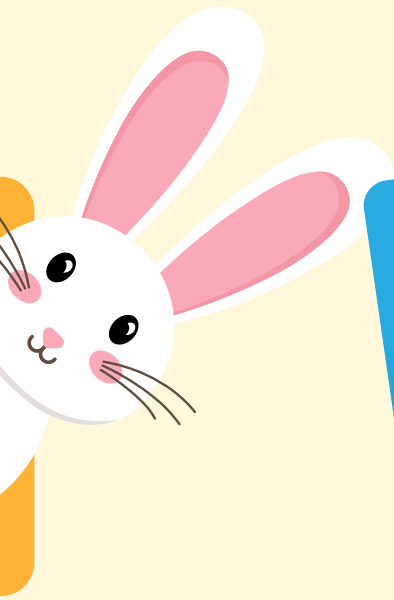

Digital profiles such as; LinkedIn are fast becoming the way of recruitment for the future so our students are getting a head start by using it early and of course as ever Mrs Timms cooking class was a huge success with students learning to cook a hearty pasta sauce ready for independent living. Thanks to all staff involved.

Y12 ATTEND APPRENTICESHIP SHOW MK

Year 12 attended the MK apprenticeship show where they were able to meet and talk to over 20 different employers ranging from healthcare, armed forces, construction, finance and leisure. Many students enjoyed the freebies the companies supplied especially the TUI sunglasses.

Some of our students used the time wisely to carry out an military fitness test for their PE coursework or just to test their strength in "hang tough" with the army. It was impressive to see our students confidently engaging with companies and asking lots of questions with many saying they had enjoyed the day and found it useful.

FOMCS EASTER BINGO!
