June 2019	25 June 2019	Yes	9 July 2019

MAGDALEN COLLEGE SCHOOL

Admissions Policy

Years 7 – 11

The school follows the Local Authority (LA) guidelines for admission to secondary school in that our first priority is to serve children in our area. There are close links between Magdalen College School and the primary schools in the area, namely:

Brackley C.E. Junior School	Helmdon Primary School
Bracken Leas Primary School	Newbottle and Charlton C.E. Primary School
Southfield Primary School, Brackley	Syresham C.E. Primary School
Croughton All Saints C.E. Primary School	Silverstone C.E. Primary School

The school's catchment area includes the following villages and hamlets: Astwell, Aynho, Charlton, Croughton, Crowfield, Evenley, Falcutt, Halse, Helmdon, Hinton-in-the-Hedges, Radstone, Silverstone, Steane, Syresham and Whitfield.

The school has an admission limit of 252 places.

Students with an Education Health Care Plan (EHC plan) which names the school as appropriate provision are automatically allocated places.

When there are more applications for places than there are places available, priority will be given in the following order:

- I. Children in public care (looked after children) or; previously Looked After Children (LAC) also known as children in public care. Looked after children are children who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989) at the time of application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order). All LAC and previously LAC are given the highest priority in all schools oversubscription criteria.
- II. Students who live in the linked area associated with the school i.e. Astwell, Aynho, Brackley, Charlton, Croughton, Crowfield, Evenley, Falcutt, Halse, Helmdon, Hinton-in-the-Hedges, Newbottle, Radstone, Silverstone, Steane, Syresham and Whitfield;
- III. Students who will have an older brother or sister continuing at Magdalen College School at the time of admission of the younger child;
- IV. Students attending the designated contributory primary school (i.e. Bracklen Leas, Brackley Junior, Croughton All Saints, Helmdon, Newbottle and Charlton,

Silverstone, Southfield Primary, and Syresham) and continuing in attendance until the final offer of places is made;

V. Other students.

If the admission number is exceeded within criterion (ii) priority will be given to those who live furthest from the nearest alternative school. If the admission number is exceeded within any other criterion priority will be given to those who live closest to the school, using Northamptonshire County Council's Geographical Information System (GIS).

Transfer at age 11

The school holds an Open Evening for parents and Year 6 students in the autumn half term each year. Subsequently, parents may request to visit the school during an open morning.

The Headteacher and other staff for both phases meet regularly to plan arrangements for transfer and to make sure there is as much continuity of education as possible between the primary and secondary phases.

Every attempt is made to ensure that students joining the school in September are made welcome and introduced gradually to the school.

- a) The Headteacher and Leader of Learning for Year 7 meet parents collectively at Magdalen in the year before the students come to the school.
- b) The Leader of Learning for Year 7 and Pastoral Support Assistant for Year 7 meet most new students in their primary schools in the Summer Term before entry.
- c) All new entry students take part in Magdalen College School's induction programme in July when they spend 5 days in school. Students meet their Form Tutors and spend time in tutor groups experiencing 'taster' lessons in some of the subjects which will be on their timetable in the following September.
- d) In the week of the induction programme, parents are invited to an introductory evening at Magdalen where they are able to meet Form Tutors. This gives them the opportunity to ask questions and give us any information they feel the school should know about their children.
- e) A staggered start to the first day in the September term enables new students to familiarise themselves with the buildings with no other students present on the Waynflete site for the first part of the day.
- f) Parents' wishes may be taken into account when placing students into tutor groups, but creating effective and balanced learning groups is the main priority.

Arrangements for mid-term admissions years 7 - 11

Parents wishing to transfer their child mid-term should in the first instance contact Northamptonshire County Council Schools Admissions.

The circumstances of each student will be considered individually, but generally a place will be offered if one exists within the relevant year group.

If a place is allocated, the following procedures are undertaken before the student begins to attend school:

- Parent completes the application form.
- A visit to the school is undertaken and family meet pastoral staff.
- Student information and achievement data is obtained from previous school through standard pro-forma or by telephone.
- Student completes English, Maths & Science tests at Magdalen College School, and has an 'Options' interview if the student is to join Year 9, 10 or 11.
- A tutor group is allocated.
- A timetable is in place including any necessary support.

We aim to complete this process within 15 days of the receipt of the appropriate forms.

Admissions policy 16-19

Magdalen College School has an "open access" policy with regard to sixth form entry. Admission is not constrained by the catchment restrictions applied to entry to Years 7-11.

- a) Students considering applying to the school at normal transfer time should contact the Leader of Learning for Years 12 and 13.
- b) The School holds a Subject Open Evening for all prospective 16-19 students and their parents/carers in November each year.
- c) All prospective sixth form students attend an Induction Day in July to become acquainted with their new working environment and routine in the company of their peers.
- d) Great care is taken to place new students in tutor groups with other students they already know.

Arrangements for mid-term admissions or for entry into year 13 from year 12 in another school

- Prospective students should contact the Leader of Learning for Years 12 and 13.
- An appointment will be made to meet the Leader of Learning for Years 12 and 13 and to tour the school.
- Student achievement data and options choices are used to determine if a place is viable, and if so which is the most appropriate Pathway for the student to follow, and within this the individual subjects.
- The Examination Boards of the Advanced subjects being studied by the student in their current school are also carefully considered in the choice of subjects.
