MAGDALEN COLLEGE SCHOOL

LETTINGS & CHARGING POLICY

Rationale:

The Trustees control the use of premises out of standard school hours and encourages the use of the school facilities by the community and others. The school manages all out of school activities and lettings in house

Aims:

The Trustees wish to actively seek to provide out-of school learning opportunities, which may be for students, for the community or for both groups simultaneously.

Promotion of the school is encouraged within the local community, developing good relationships both with organisations and individuals. The school's Marketing Assistant promotes the hire of facilities through social media and the school website

The Trustees also see the school facilities, buildings and grounds as a valuable resource, which can be made available to the community and other groups / organisations to hire providing that use is not contrary to the aims, objectives and ethos of the school.

The school should maximise income from the letting of the premises. Purposes of hire for regular and occasional use may include:

- Sports and fitness activities
- Training and education
- School reunions
- Amateur dramatics
- Exhibitions
- Meeting, forums etc.
- Community Events
- Weddings - use of Chapel only

The Governing Body reserve the right to refuse access to an organisation that it feels does not have the vision, ethos and values of the school or may suggest support from the Trustees/ governing body for one stance over another (eg. political).

Income Generation

The school charges each hirer in advance for the use of the premises according to the published charges

The income forms part of the non-restricted income the school can re invest as a contribution to the provision of educational resources. The school is responsible for some expenses incurred from the operation of lettings which are offset through the income received.

Monday to Thursday	15.45 till 21.00
Friday	15.45 till 21:00
