## **Uniform and Dress Policy**

A correctly worn uniform encourages a sense of pride and unity within the school community. It promotes equality and cohesion, protecting students from social pressures to dress in a particular way. It also sets a suitable tone for learning. We expect all students to wear uniform correctly at school, on trips and when travelling to and from school. This presents the school in a positive manner within our local and wider community.

As part of our response to the new guidance on affordability of uniforms, we have made some changes to our requirements to reduce costs for parents and carers. At the bottom of this policy is the uniform list, on which we have cited prices for the items available through T King and some comparisons from other providers.

If you require support with the cost of school uniform, please contact Mr Wayne Lenhan (Business Manager) on <a href="mayne.lenhan@magdalen.northants.sch.uk">wayne.lenhan@magdalen.northants.sch.uk</a>

For second-hand items of uniform please contact the school on 01280 846300 for more information. These are available from specific charity shops in Brackley town centre.
